Journal Of Business Ethics News
The Journal of Business Ethics publishes only original articles from a wide variety of methodological and disciplinary perspectives concerning ethical issues related to business that bring something new or unique to the discourse in their field. Contributors examine moral aspects of systems of production, consumption, marketing, advertising, social and economic accounting, labor relations, public relations and organizational behavior.

Journal of Business Ethics - springer.com
Description: The Journal of Business Ethics publishes original articles from a wide variety of methodological and disciplinary perspectives concerning ethical issues related to business. Since its initiation in 1980, the editors have encouraged the broadest possible scope.
